

IR Filters > HMMWV Blackout Infrared Filter Kit

HMMWV Blackout Infrared Filter Kit

Model : HMMWV

Manufacturer : Blackout IR Filters

HMMWV Blackout Infrared Filter Kit.

Tactical vehicle operations at night can often be difficult due to a lack of illumination. Driving with just NVGs not only slows down your elements rate of movement, but also makes recognition more difficult and increases your risk of fratricide. U.S. Night Visions Blackout Filter Kits™ for the HMMWV, Army 5 ton, Army 2 ton and the Marine Corps 7 ton are an instance force multiplier for night-time tactical vehicle operations.

Each Blackout Infrared Filter provide as much IR illumination, when seen through night vision, as a vehicle's headlight seen by the naked eye at night; facilitating a safer, faster and more efficient means of travel.

Blackout Filter kits come complete with two IR headlight filters, two IR taillight filters and blackout covers for all running lights. Parts for each individual kit are listed below.

Product Features:

- Infrared Illumination 850 NM
- Finish Matte Anti Glare
- Mounting Hardware Included
- Manufacturing Made In USA

The USNV BF-10 Blackout IR Filter Kit comes with:

- 2 Ea. IR headlight filters (850 nm)
- 2 Ea. IR tail light filters (850 nm)
- 2 Ea. orange headlight covers
- 4 Ea. running light covers
